2.) Applicant (if different than property owner)

Name	Address	City	State	Zip	Hm/Office Phone
_____	_____	_____	_____	_____	_____

e-mail address	Cell Phone	FAX Number
_____	_____	_____

Relationship to property owner _____ Power of Attorney? ____ Yes ____ No

3.) Property to be developed (if different than above)

Current Resident Address City State Zip Phone

4.) Legal description of property

Pilkington Lot 19, 4680 Dogwood Drive, Lake Oswego, OR.

5.) Pre-application conference requested?^{viii} (Fees apply) Yes No

6.) Please describe the intent of this proposal.

We have a slope on the south side of our property that drops to the bank of the Tualatin River. Currently, rainfall and irrigation water runs down the slope and isn't retained enough for slope plantings to survive. During heavy rains, soil is also washed from the slope towards the river.

We propose to modify a portion of the east end of this slope to: 1) mitigate the inability of the slope to retain water to sustain plant life, 2) decrease further erosion of the bank, and potential sedimentation going into the Tualatin River and, 3) stabilize the slope area with plants to prevent further erosion and assist with water retention during flood events (none since 1996).

We would partially terrace a section of the slope (an area approximately 1250 Sq. Ft, creating two terraces with a path in between. We would terrace by placing two rows of 2' tall walls, the lower wall 52' long. The upper two walls are 33' long to create the upper terrace and pathway. Soil from the wall excavation would be used to create two semi-level planting beds. The plan was designed to ensure a 1:1 ratio of excavation/fill during construction with minimal grading needed. No net fill. We would plant the terraces with new and relocated native plantings/shrubs/trees, and include an area for a vegetable garden.

There are no trees in the affected area, no wetlands, and no impacts to utilities, access, traffic, or structures in the proposed area.

Submission Requirements:

7 sets of the following:

- Application
- Proof of ownership
- County building permit application, filled out
- Notarized Agreement to Meet Costs of Development Review
- Permit fee
- Building plans, including scale drawings and elevations
- Site plan showing: (include one additional copy)
 - Direction of north and south
 - The exact dimensions of the lot(s) in question, all set-backs clearly marked
 - The location of all trees over 36 inches in circumference measured 4.5 feet from the ground if affected by the proposed project^x
 - The location of the sewer or septic system
 - Existing and proposed surface water drainage
 - All easements
 - Existing and proposed access
 - Location of significant natural features, such as cliffs, creeks, trees
 - Wetlands
 - The floodway and 100-year floodplain of the Tualatin River City has this

100' or 200' radius mailing labels or pre-addressed envelopes (TBD at the PC meeting)
Any other pertinent materials

Some applications may require other items, such as:

Elevation certificate if property is within the 100-year flood elevation^x

Grading plan

Landscape plan

Utility plan

Certified survey

Proof of sewer connection or proof that the septic system is approved by the county for the proposed construction if adding more bedrooms or new construction

Tree mitigation plan if more than three (3) jurisdictional trees are removed

A wetland delineation plan and mitigation plan by a certified specialist if wetlands exist on the property or within 25 feet of the side setback

Descriptive written request for hardship relief

Traffic impact study

CITY OF RIVERGROVE

AGREEMENT TO MEET COSTS OF DEVELOPMENT REVIEW

This Agreement to Meet Costs of Development Review (“Agreement”) is entered into on the last signed date indicated below by and between the City of Rivergrove, Oregon (hereinafter the “City”) and _____ (hereinafter “Applicant”) in connection with Applicant’s land use application for the property located at _____.

RECITALS

WHEREAS, Applicant has submitted to City a Development Application pursuant to the Rivergrove Code; and

WHEREAS, City is obligated by state law and City Code to review this Application, and determine whether it complies with the approval criteria and standards of state law and City’s ordinances and development standards; and

WHEREAS, the parties are uncertain about the total costs of land use planners, engineers or attorneys necessary to review and process the Applicant’s Application;

WHEREAS, ORS 227.175 authorizes City to charge Applicant for the actual cost of processing Applicant’s Application and the City has elected to do so under Ordinance #54-89 Section 9.030 (the City’s right to charge for fees incurred by the City for legal services, engineering services, planning services, etc), Resolution 200-2005 (a fee schedule), and Resolution 238-2013 (amending the fee schedule); and

WHEREAS, if actual costs are less than the deposit, a refund will be given.

NOW THEREFORE, the premises being generally stated in the foregoing Recitals, the parties agree as follows:

1. Applicant agrees to be responsible for paying the actual costs incurred by City in reviewing the aforesaid Application for compliance with the applicable approval criteria, development and design standards.
 - a. Such costs shall include the actual costs of City’s land use planners, engineers and attorneys incurred in reviewing that Application, including any appeal to any City authority, whether filed by Applicant or others.
 - b. Prior to the City undertaking review of any land use application, the Applicant shall submit a deposit in the following amounts:

Deposit Amounts:
Type I Review - \$400
Type II Review - \$500
Type III Review - \$1,000
Partition - \$2,000
Subdivision - \$5,000

Where the applicant seeks a variance or hardship relief the applicant shall submit a \$500 deposit in addition to the amount of deposit for the relevant review described above.

Where the City's actual cost of review of the land use application does not amount to the total deposit, a refund to the Applicant of any remaining balance of the deposit shall be issued within sixty (60) days of issuance of the land use decision.

2. Applicant agrees to be responsible for paying the actual costs incurred by City in inspecting and verifying Applicant's compliance with any representations made in its Development Applications and with any requirements of City's development and design standards.
3. Applicant agrees that the City will issue monthly invoices for costs incurred and Applicant is required to remit payment within thirty (30) days of the City-issued invoice date. The City Manager shall be authorized to deem the application void if the monthly invoice is not paid in full within sixty (60) days of the invoice date. Overdue balances remain overdue until paid in full (including all late payment fees and interest charges.) All overdue accounts will be charged a late payment fee of \$50 or 3% of the overdue balance, whichever is greater, each billing cycle. Interest at the rate of 9% on the unpaid balance, calculated daily and compounded monthly, will also be charged to all overdue accounts from the date of the original billing, each billing cycle. Accounts paid in a timely manner will not be charged any accrued interest.
4. Applicant shall raise any dispute about an entry on an invoice in writing within fifteen (15) days of the invoice date. City shall have thirty (30) days to provide a written response to such disputed entry. Applicant shall submit full payment for the invoice with the disputed entry by the agreed upon timeline in section (3) above and City shall credit a subsequent invoice if it determines that the disputed charge should be credited to Applicant. If applicant continues to dispute an entry, it shall request arbitration under section (5) below within fifteen (15) days of transmittal of the City's written response.
5. Dispute Resolution. Applicant or City may at any time request final and binding arbitration of any dispute relating to invoices, costs, or payments due, but in no event does this Agreement extend the statute of limitations under Oregon law. Any party who fails to submit to binding arbitration following a lawful demand by the other party shall bear all costs and expenses, including reasonable attorney fees (including those incurred in any trial, bankruptcy proceeding, appeal or review) incurred by the other party who must seek court assistance to enforce these arbitration provisions. A party may request arbitration by giving written notice to that effect to the other party, specifying in the notice the nature of the dispute. The dispute shall be heard and determined in the City of Rivergrove, Oregon, by a single arbitrator agreed upon by the parties. If an agreement cannot be reached, then the arbitrator shall be appointed in accordance with the rules then pertaining to the Clackamas County Circuit Court Arbitration Program, except to the extent provided otherwise under Oregon laws on arbitration and as otherwise provided herein. If such program is terminated, then the rules of the Arbitration Services of Portland, Inc. shall be used.
 - a. The prevailing party shall recover fees and expenses of any arbitration under section (5), including all of its attorneys and experts fees.
 - b. The arbitrator shall resolve all disputes in accordance with the substantive law of the State of Oregon. The arbitrator shall have no authority or jurisdiction to award any damages or any other remedies beyond those that could have been awarded in a court of law had the parties litigated the claims in court instead of arbitrating them. The parties shall not assert any claim for punitive damages except to the extent such awards are specifically authorized by statute.

c. The parties shall use their best efforts to complete any arbitration within sixty (60) days of the filing of the dispute. The arbitrator shall be empowered to impose sanctions for any party's failure to do so. These arbitration provisions shall survive any termination, amendment, or expiration of the Agreement unless the parties otherwise expressly agree in writing. Each party agrees to keep all disputes and arbitration proceedings strictly confidential, except for the disclosure of information required in the ordinary course of business of the parties or as required by applicable law or regulation. Any time limitation (such as the statute of limitations or laches) that would bar litigation of a claim shall also bar arbitration of the claim. If any provision of this arbitration program is declared invalid by any court, the remaining provisions shall not be affected thereby and shall remain fully enforceable. The parties understand that they have decided that on demand of either of them, their disputes as described herein will be resolved by final and binding arbitration rather than in a court.

6. Should the arbitrator find in favor of the City, the City shall have the right to enforce that right through entry of judgment and seek a lien against any property owned by applicant and applicant waives all objections against the entry of judgment or lien.

IT IS SO AGREED BETWEEN THE CITY OF RIVERGROVE AND:

 Delinquent tax amount is included in payment options listed below.

**Excavation and Fill
4680 Dogwood Drive Terracing project.**

Description: Create two terraces (with a path in between) on an existing slope to increase water retention and eliminate erosion. See plan elevation document for detail.

Top level:

- 1) Dig out a 13-foot long, one-foot wide, one-foot deep area to place a two-foot tall wall (Wall 1) against existing stone patio. Use excavated material for leveling upper terrace.

Middle level:

- 1) Dig out two 33-foot long, 16-inch wide, 1-1/2 foot deep areas for placement of two, two-foot tall walls (Walls 2 and 3) with a 30-inch wide path between them at bottom of upper terrace.
- 2) At west end of new path put in 4 steps up to existing path by house.
- 3) Use excavated material to lessen the slope of lower level.

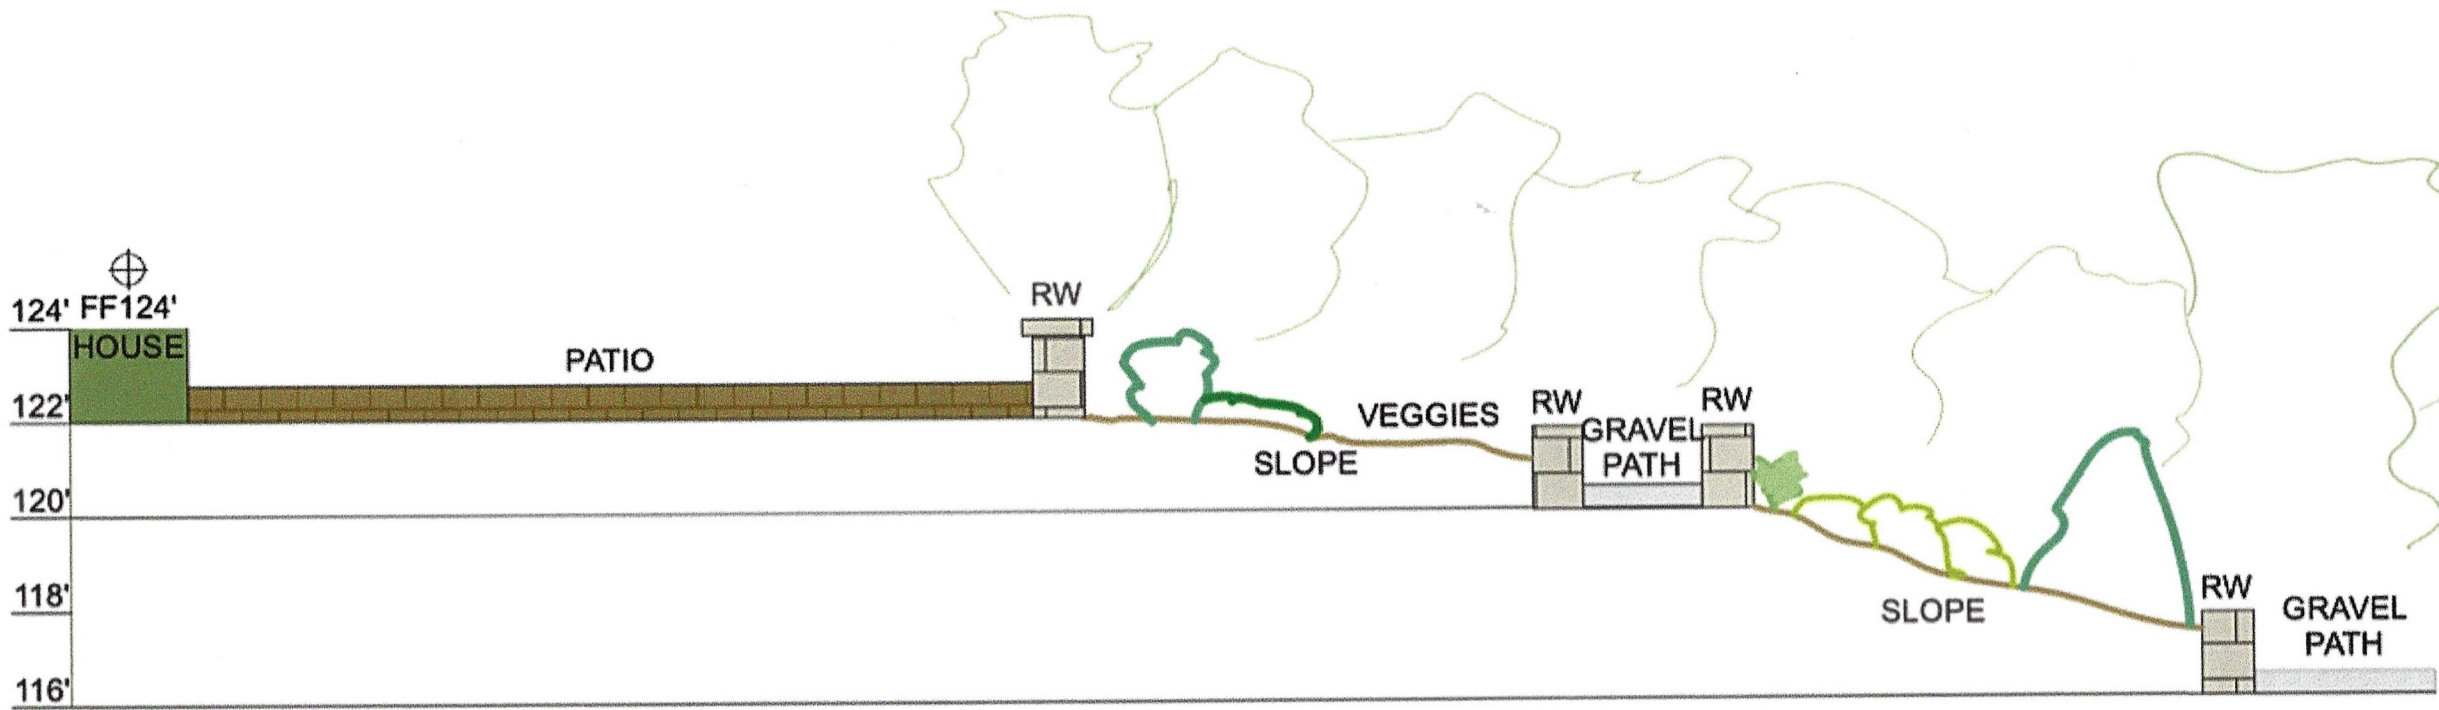

Lower level:

- 1) Dig out area approx. 52 feet long, one-foot wide, one-foot deep to place a two-foot wall (Wall 4) along existing bank pathway.
- 2) Use excavated materials to lessen the slope of the lower slope terrace.

Excavation and Fill Quantities *

Item	Quantity (yards) of Excavation material	Quantity (yards) of Fill material	Net gain/loss Of excavation to fill
Wall one construction Level upper terrace area	.75	.75	
Walls 2 and 3 and steps construction Level lower terrace areas	2.50	2.50	
Wall 4 construction Level lower terrace area	2.75	2.75	
Total Excavation to fill	6.25	6.25	0
