

Dear Rivergrove City Manager,

I am a 30+ year resident of Lake Grove and an avid kayaker. I use the Rivergrove ramp a several times each year and have not experienced the hostility from neighbors that some have. I consider this public ramp a valuable asset to my neighborhood and strongly request that it remain in the public domain. I support the 6 proposed improvements listed in the Nextdoor post from Rachel Shafer.

Thank you,

Donald Conklin
