Planning Commission and City Council Topics

PLEASE NOTE: There will be NO PC or CC meetings in April.

Planning Commission Business

At its regular meeting on Tuesday, March 3, the Planning Commission approved a Type III Development and tree removal permit for a single family home on Lot 1 of the Chapman Estates Phase 2 Partition (5450 SW Childs Road) and a Type III Development and tree removal permit for a single family home on Lot 2 of the Chapman Estates Phase 2 Partition (5450 SW Childs Road) was approved. The Commission also approved the final plat for Chapman Estates Phase 2.

City Council Business

At its regular meeting on Monday, March 10, the City Council accepted the resignation of City Manager John Leutheuser, then met in executive session to discuss employment. Following the executive session, Council voted to offer the job of City Manager to former mayor Heather Kibbey.

At a special meeting on March 16, 2020, Council passed a resolution appointing Heather Kibbey to the position of City Manager.

Rivergrove Land Development Ordinance Makeover

The City of Rivergrove is excited to announce that we are launching the first steps toward the all new Rivergrove Land Development Ordinance (RLDO). The City Council has assembled a steering committee to review the first discussion draft of the new version. This is comprised of members of the public, City Council and Planning Commission, plus the new City Manager. After the committee completes it's first draft, this document will be ready for the first hearing before the Planning Commission. For further information about the process, contact the City Manager at manager@cityofrivergrove.com .

If We Only Had Your Email Address...

TVF&R Community Room Access

The TVF&R has continued their ban of public access to their community rooms through the end of April. At that time, they will reassess the situation and advise us of any change in their current policy. Similarly, use of the school is uncertain and State and Federal regulations regarding public meetings are rapidly changing. We will be providing you information (such as that noted in this current newsletter) about public meetings, the City's alternatives for those, and methods you can use for public input and/or participation. It is likely that all our public meetings will use the Zoom digital platform for the next few months.

Governor Kate Brown has issued a [STAY-AT-HOME](#) order, please work at home if possible and remain at home except for emergency trips. Here is her decree: https://govsite-assets.s3.amazonaws.com/jkAULYKcSh6DoDF8wBMO_EO%2020-12.pdf

**PLEASE NOTE: There will be NO PC or CC meetings in April.
A STAY-AT-HOME order is in effect until April 28th or further notice.**

Coronavirus in Our Community

With the coronavirus potential presence in our community we just want to make sure everyone stays healthy. The first step is getting accurate up to date information on what COVID-19 is, how it is transmitted, and what we can do to slow its transmission. Here are several useful links from The Oregon Health Authority, and The Center for Disease Control.
