Mayor's Message

During this holiday season of peace and goodwill, I wish all of you a splendid New Year, on behalf of your City Council and staff. May all of you see happiness and prosperity in 2015!

At its January 12th meeting, Council will welcome our new Councilor Carolyn Bahrman, and will say goodbye to Councilor David Dull, who has served the City admirably for three years. Cities larger than Rivergrove have taken much longer to complete the rigorous task of creating a Transportation Plan, but under David's guidance, Rivergrove managed this feat in a little over a year! You are invited to join us at that meeting for a mini welcome/thank you party. Refreshments will be served.

Next month, Council will turn its attention to its biennial goal-setting, and suggestions are welcome. One of the items at the top of the list will be a continued effort to shape our land use ordinances into an updated, useable format. We welcome volunteers (I will come knocking!) and hope to complete the job in that biennium.

And one last bit of news: Rivergrove has received permission from ODOT to lower the speed limit on Pilkington to 30 mph (we had requested 25 mph) and, at the same time, no-parking signs will be posted on the portion of the Pilkington pedway from Dawn to Childs.

Happy New Year, Rivergrove!

Heather Kibbey
