Mayor's Message

I'm pleased to serve as your Mayor for a third term and I look forward to working with you on new projects this year in Rivergrove. Accompanying this newsletter, you'll find a *2015 State of the City Report*, giving you an update on various facets of city life, budget, transportation, parks, and more.

In it, I speak of our goal-setting process for the work to be accomplished by City Council during the next year, and you'll find a sneak preview of two items likely to be included on our list. I encourage you to read it, study our previous year's list of goals on our website (cityofrivergrove.com) and submit any suggestions for goals you'd like to see added for 2015.

At our February City Council meeting, the focus will be on Rivergrove's trees. Kristin Ramstad of the Oregon Department of Forestry will give us a presentation on the Tree City USA program, in which the City may choose to participate. Hope you can join us on February 9th at 7 pm in the River Grove Elementary School Library, to hear all about the program, to ask questions and to share your opinions.
