## Special Presentation by Arborist Brian French at City Council Meeting

Don't miss this special presentation:

**City Trees and Urban Wildlife: A Slide Show Presentation**  
by Rivergrove's Nationally Recognized Consulting Arborist Brian French  
April 11, 7 – 8 pm  
in the River Grove Elementary Library

As Rivergrove's trees age, they become more attractive as habitat for many species of wildlife. By understanding the aging process of your trees, discover how to increase and enjoy the variety of wildlife in your backyard. Bring your tree and wildlife questions and enjoy some refreshments during a very special Tree Night in Rivergrove!

Brian French, of Arboriculture International, is Rivergrove's City Arborist. Co-founder of the non-profit organization, *Ascending The Giants*, Brian is called on to measure Oregon largest native trees of many different native species. He is the co-star of an award-winning documentary, *Treeverse*, and is a talented wildlife illustrator.

### Rivergrove Becomes a Tree City, USA!

At the City Council meeting, Arborist Brian French will also present the city with the official certificate to commemorate our induction as a Tree City USA, having met the standards established by the National Arbor Day Foundation (NADF) and the National Association of State Foresters.
